RECLASS Message 07-08

29 June 2007

**SUBJECT: Reprocessing or Canceling a Reclassification Action**

1. Anytime a reclassification action needs to be changed due to deployment, temporary profile or any compassionate or compelling reason, you need to do a request to reprocess the reclassification action. You will send a hotline to category RCLS/CS using the VAL/RENO hotform with justification just as you were processing a VAL/RENO for a reenlistment.

2. Medical and Mandatory Reclassification actions will not be cancelled if the Soldier signs a Declination of Continued Service Statement (DCSS). The training and assignment will be cancelled and the reclassification action will remain in effect. The Soldier will then ETS in the new MOS with ASI 4A.

3. POC for this message is MSG Nagle at DSN 221-6924.
